

Streaming DISH Network at Holiday Park RV Campground

1. To watch DISH Network TV, your device must be connected to the Holiday Park WiFi and Holiday Park WiFi 5 is preferred.
2. You can connect either an Amazon Fire Stick 3rd Generation (or newer) or a Roku streaming device.
3. We have Amazon Fire Sticks available in the camp store for purchase.
4. Amazon Fire Stick Set up:
 1. Have your Amazon account information handy for login.
 2. If you don't have an Amazon account, it is free to create one at Amazon.com.
 3. Plug Fire Stick into your TV's HDMI port.
 4. Follow the on-screen set up instructions.
 5. The Fire Stick will search for the WiFi options available to you.
 6. Choose Holiday Park WiFi 5 – it will take you to a landing page.
5. On the WiFi Landing Page, 4 options will show up: [Sign Up/Renew](#); [DISH TV Access](#); [Log In](#); [Activate Voucher](#).
6. Choose the DISH TV Access option then choose the DISH TV option from the dropdown menu.
7. Most likely your Firestick will have a software update that is necessary to complete the setup.
8. The Fire Stick will give you a code you need to enter at Amazon.com/code which links the Fire stick to your Amazon account.
9. Once your Fire Stick is activated, go to the Appstore
10. Search the Appstore for: Onstream.
11. Download the Onstream App - it's free. Follow any instructions given.
12. Open the Onstream App. You will be automatically connected to the Holiday Park DISH Network Landing page
13. Click on the TV Guide Icon to see and select channels.
14. Go here if you hit a snag with the Fire Stick set up:
<https://www.amazon.com/setup-activate-fire-tv>
15. A Roku device can also be used, we believe the instructions to be similar to Fire Stick, but go here <https://skywebwifi.com/help-support/> for directions.

For Internet Only:

1. To connect to the WiFi for the internet only search for Holiday Park WiFi 5.
2. Once you are directed to the landing page, choose the [Sign Up/Renew](#) option, and follow the directions for the package you want.

BEFORE contacting the campground office, call the SkyWeb support line at 989-771-7100 for help with Fire Stick , Roku or internet troubleshooting.
