

ONSTREAM TV

We offer fee based combination packages for ONSTREAM TV and Wifi.

1. An Amazon Fire Stick 3rd Generation (or newer) must be used to stream ONSTREAM channels. (A Roku stick will work but requires a call to SkyWeb for connection)
 - a. NOTE: Onstream App is not compatible with Fire TVs or Roku TVs.
2. From your TV, connect your Fire Stick to the Holiday Park Wifi or Holiday Park Wifi 5 (choose whatever has the stronger signal)
 - a. Choose the Sign-Up/Renew button on Holiday Park landing page
 - b. Chose the package you wish to purchase

3. Search Device App Store for: Onstream

Download App - its free
Follow any instructions given

4. Open the Onstream App
You will see the Holiday Park Home page
5. Click on the Channel List Icon
